			Total 15 hours				Total 13 hours	

The Legal & Paralegal Studies Program is offered for paralegal education and provides course work and practical experiences designed to develop the knowledge and communication skills necessary for contribution to the legal profession. Paralegals may not provide legal services directly to the public except as permitted by law.

Students must take at least nine semester credits (or 3 courses) of legal specialty courses through synchronous delivery (i.e. either through traditional face to face classroom instruction or interactive video technology instruction).
